Extra information about the Gold Award ceremony 2016

The ceremony will take place at Saturday afternoon, March 19th 2016. Important dates to communicate with participants who will be ready with all their Sections by that time:

February 1th: closing date to send in the fully completed record books for a final check with the national organisation. Books can be sent to: International Award for Young People, the Netherlands, t.a.v. Pascale Cup, Vazalstraat 2, 5021 DR Tilburg.

Friday evening February 26th: a meeting for all the participants who will attend the Award ceremony in March, some were central in the Netherlands.

Gold Award Ceremony 2015

New promotion materials

To support you to reach as many participants we are developing new materials which will be ready in a short while. A poster, A2 poster, and a post card to hand out to potential participants.

Also we created a letter for parents to inform them about the Award. To inform organisations that will work with the participants in their Service, Sports or Skills Sections, we also made a letter. If you would like a different version, please contact us as we can change the text very easily.

Opportunities for participants

Summer holiday 2016, sounds very far away but to inspire you and the Gold Award participants we have some amazing opportunities for their Adventurous Journeys and Residential Project. Please let your participants know and watch the website for more and new information.

Het Sparkkamp in Finland takes place from July 29th until August 10th 2016. There will be an AJ and Residential with an international group of participants. Also during the summer holiday participants could join an international group for AJ and Residential Project in Slovenia. Both opportunities are partly subsidised by Erasmus+ so the costs will be quite low.

There is also an opportunity to go to the south of Germany for an international camp with Gold AJ and Residential Project: July 29th until August 6th.

For more information you can contact Franck Horio; franck.horio@award.nl

Other news

Awards for Scouts

In September we presented the first Bronze Awards to Scouts who did their Award through Scouting: congratulations! In 2015 we presented 367 Awards so far.

Bronze: 185 Silver: 117 Gold: 65

Follow-up of the Conference in May

After the successful Conference in May, attended by HRH Prince Edward, we are now in touch with several potential new sponsors. Also a few schools contacted us and they are starting with the Award programme in September. Another outcome are meetings with the VO-Raad, EP-Nuffic and the 'the Dutch International Secondary Schools' to make them aware of the Award programme and its impact.

Award as a social intervention

In cooperation with Windesheim Hogeschool Flevoland and Movisie we are going to describe the Award programme as a 'social intervention'. We have already a lot of information and in the coming year we are going to do research in the way the programme is delivered.

Skafonds

To offer the Award to young people that are marginalised or at risk, we have received extra funding by the Skafonds. In cooperation with local youth work and BVJong we are starting this challenging process.
