

# Awardtrip Kenya 2018

In the summer of 2018 a group of youngsters between 10 and 25 years old will travel to Nyeri, Kenya. Do you want to join them? **Apply before 31/10/2017!**

## The program

In 3 weeks you will get to know the culture and nature of Kenya. From our basis at the Moi Nyeri Primary School we will work on several projects. In past years we have made concrete floors and painted classrooms in different primary schools around the area.

During the stay in Kenya you will go to a host family for 2 nights. You will stay at their house together with another participant. The family will take you around town, to family, marketplaces and other expeditions. They will show you their Kenya, the way they are living their life there. You can cook with them or join them to work or play with the children.

We will also do an expedition in the jungle. For 4 days we will walk 15-20 kilometres.

Together with the mentors of the Kenyan Presidents Award (The Kenyan version of the DofE) you will find your way through the jungle. You will use a compass and a map. The nights will be spent at safe terrains. You can use this Expedition as a Silver or a Golden (practice) Expedition for your Award. Be sure you are fit enough to take part in this expedition before applying!

We will finish off our trip in Kenya with a weekend stay in a resort. This way we can all discuss how we experienced the trip and what we learned from it before going back to our lives in The Netherlands.

## Preparation

You will be prepared for the trip through 3 days of training. We will discuss differences in culture, your own experiences and the sponsorship for our projects. These trainings will presumably take place in December, March and June. The location will be determined on the basis of the participants place of residence.

## Costs

The trip will cost approximately €1750. Beside we expect every participant to collect €500 of sponsorship for the projects in Kenya. The costs include:

- Flight
- Stay
- Meals
- Visa
- Training days

### **The costs do not include:**

- travel to and from Schiphol
- vaccinations

Insurances (travel, health, cancellation)

You will get the details of payment (and dates) when you apply.

For the projects we ask every participant to collect €500 sponsorship. You can find your own way in collecting this but we will of course help you with ideas and the organisation.
